UNINSURED/UNDERINSURED MOTORISTS COVERAGE

Uninsured/Underinsured Motorists Coverage provides insurance protection to an insured for compensatory damages which the insured is legally entitled to recover from the owner or operator of an uninsured/underinsured motor vehicle because of bodily injury or property damage caused by an automobile accident. REJECTION OF PERSONAL INJURY PROTECTION INSURANCE - TEXAS

Applicant/Named Insured:	
Policy Effective Date:	Policy Number:
Agency:	

Texas law requires that, unless rejected in writing, all automobile liability policies must provide Personal Injury Protection (PIP) in an amount not less than \$2,500 for all benefits, in the aggregate, for each person.

This document briefly describes Texas Automobile Personal Injury Protection Coverage. You should read it carefully and contact your agent if you have any questions regarding this coverage and/or your option to reject it.

No coverage is provided by this document. You should read your policy and review your Declarations Page(s) and/or Schedule(s) for complete information on the coverages you are provided.

Texas Automobile Personal Injury Protection Coverage

Personal Injury Protection benefits consist of:

1. Necessary expenses for medical and funeral services;
2. 80% of Loss of income from employment, provided the insured, at the time of the accident, was an income producer and was in an occupational status.
3. Reasonable expenses incurred for obtaining services that replace those an insured would normally have performed: (a) without pay; (b) during a period of disability; and (c) for the care and maintenance of the family or household. These apply only if, at the time of the accident, the insured was not an income producer and was not in an occupational status.

Unless rejected, Personal Injury Protection (PIP) benefits are paid because of bodily injury resulting from a motor vehicle accident. Payment is only for losses or expenses incurred within three years from the date of the accident.

PIP benefits apply to:

- a. You or any "family member", if you are an Individual Named Insured, while occupying or when struck by any "auto"; and
- b. Anyone else occupying a "covered auto" with the permission of the Named Insured. The Auto Liability coverage of the policy must apply to the "covered auto".
- c. As used in this description:
 - (1) "Auto" means a land motor vehicle, trailer, or semitrailer designed for travel on public roads.
 - (2) "Covered auto" means an "auto" shown or described in the Description of Covered Autos in the Schedule of the PIP Endorsement that is either owned or leased by you, and to which the Auto Liability coverage applies. This also includes an "auto" temporarily used as a substitute for an owned "covered auto" that has been withdrawn from normal use because of its breakdown, repair, servicing, loss or destruction.
 - (3) "Family member" means a person related to you (the Individual Named Insured) by blood, marriage or adoption who is a resident your household, including a ward or foster child.

OPTION TO REJECT PIP COVERAGE

You may reject PIP coverage entirely. If you wish to do this, please check the following box and sign this form in the Signature section below. *If there is more than one Named Insured shown in the Auto or the Auto Dealers Declarations, as applicable, then each must sign.*

- ☐ I (we) acknowledge that I (we) have been offered the opportunity to purchase Personal Injury Protection Coverage in an amount not less than \$2,500 per person, and I (we) reject such Personal Injury Protection Coverage in its entirety.

SIGNATURE (required)

This rejection of PIP coverage applies to this policy and to all future renewal policies, all continuations, and all reinstatement, substitute or amended policies, unless you notify us in writing that you want to elect to purchase PIP coverage.

If there is more than one Named Insured, each must sign.
